Hello,

Thank you for choosing to attend UC Berkeley's First Annual Average American Mock Trial Invitational (AAMTI) this season! This email is to confirm that your team has reserved bid(s) to the tournament. Listed below is some important information pertaining to the tournament this November:

1. We are in the process of actively recruiting judges to preside over rounds at the invitational. However, due to the large number of teams that will be attending, we kindly request that each school bring with them one eligible judge/scorer per team attending. While past tournaments of ours have always had a surplus of judges, we would rather be safe than sorry. If you your team will be travelling with eligible judge(s), please reply to this email with their name(s).
2. The tournament fee will be **\$150 per team**, and checks should be made out to Cal Mock Trial. You can mail checks to the following address:  

*Registration cost*

2230 Dwight Way, Apt. 403  
Berkeley, CA 94704

Please send your fees to this address by **\*Saturday, October 4th\***. You will receive an email confirmation once the check is deposited and we are provided the receipt.

Shipping Information  
Project management is a major part of the competition; as such teams are responsible for the shipment of the plane and all accessories needed. Wherever the plane is shipped, ensure that someone from the team will be able to pick it up. SAE International will not intervene with customs or act as an agent in receiving your shipment. As a suggestion, the team hotel would be the most logical choice, but be prepared to inquire about any costs or storage charges associated.

If you have any questions please email [collegiatecompetitions@sae.org](mailto:collegiatecompetitions@sae.org) including your full name, university, and event attending.
