Band

Hello Abire,

Thank you for asking us to perform at this year's annual banquet. We are available on April 3 and would like to participate in this event.

The arrangements for last year were 3 musicians at \$150 each, for \$450 total. Does this meet with your expectations for this year? Please confirm that this is acceptable to you. Also, let us know any relevant details about the program that we would need to know, such as time of performance, length of performance, or musical theme, etc.

Thank you so much for inviting us back to play at your event. I look forward to hearing from you.

Hello Cynthia,

I am contacting you to see if you were interested in performing at the Arab Student Union's annual banquet this year. You have been a pleasure at our event the past 2 years and we would love to have you again! This year's banquet will be Friday, April 3 at 7:30pm at the ARC Ballroom.

Please let me know as soon as you can if you will be able to make it or need more details.

Best,

Hi Assad,

While we would love to have your performance be 30-45 minutes, unfortunately we are on a time constraint and have very limited time for our banquet. The entire event will occur over a span of approximately 2.5- 3 hours where several other performances (such as a fashion show, skit, poetry, spoken word, dances, guest speeches, and more) need to take place as well.

We would be very grateful if you could come and perform in a 15-20 minute timeslot. Also, in terms of compensation I believe earlier in our Facebook conversation, you mentioned that you would be driving from San Jose. We can compensate you for gas money and provide additional benefits.

However, as a student organization, we are very limited on funds and are operating solely through the generous donations of our sponsors. All of the money raised from this event will go directly back to Islamic Relief to sponsor at least 10 orphans in Pakistan to help provide for their livelihood and give them an education, in hopes of changing their circumstances.

How much would you charge for 15 minutes? We really hope you can still make it. As you had mentioned over our earlier Facebook message, it is for a great cause. As a performer in this banquet, you will continue to have a growing fan base in Sacramento and Davis. Furthermore, we will distribute your contact information before and after our event for aunts and uncles who wish to book you for their private or public functions.

We will also label your performance as charity work and provide you with the same benefits as our sponsors who give a monetary donation. These benefits are listed in greater detail in the flyer I have attached.

Please let me know if you would be interested in this. Thank you so much for your time and consideration. Happy Holidays!

Sincerely,

Saba [redacted]

OK I can do it for \$100. I'm definitely pleased to be able to help with the event, don't worry about passing on my info, I don't do private events. Thanks.

And sorry about the late response, I was in Pakistan all this time, just got back.
